AFFIDAVIT OF CHERYL A. GIACOMINI

I, Cheryl A. Giacomini, on oath state that, if I were called as a witness in this proceeding, I could testify from personal knowledge to the following facts:

1. I am the same Cheryl A. Giacomini whose direct testimony was previously admitted into evidence in this proceeding. I am submitting this affidavit to respond to requests made by the Administrative Law Judge during the October 26, 2006, hearing in this matter.
2. Attached to this affidavit is a smaller (i.e., 8 ½ by 11 inch) copy of the map that AT&T Illinois previously submitted via an Erratum on August 30, 2006.
3. With regard to the territory identified as "Area A" on the attached map, if AT&T Illinois were to serve Area A from the Wood River Exchange, it would have to install a new type of equipment in the Wood River Central Office and to run approximately 5 miles of fiber optic cable to reach Area A.
4. If AT&T Illinois were to serve Area A from the Granite City Exchange, it would have to install additional equipment in the Pontoon Beach wire center in the Granite City Exchange and to run approximately 1 1/2 miles of fiber optic cable to reach Area A.

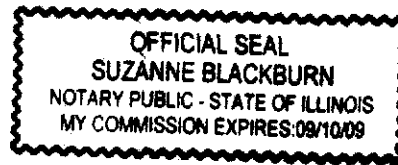

5. AT&T Illinois would save approximately \$100,000 by serving Area A from Pontoon Beach/Granite City, rather than Wood River, because service from Pontoon Beach/Granite City would eliminate the need to place approximately 3 ½ miles of cable and would involve less expense for equipment installation in the affected Central Office.

FURTHER AFFIANT SAYETH NOT.

Cheryl A. Giacomini
